

Dear Vendors,

This year, Gold Wing Road Riders Association (GWRRA) will celebrate its 30th anniversary. What an accomplishment for a motorcycle association!

To celebrate our 30 years of success, GWRRA is planning a series of events throughout the U.S., Canada and Europe. The theme for these celebrations is “**30 Years of Memories.**” Each event will also have a sub-theme of “***Giving Back to our Members.***”

One of these events will be a Members Party held at the very popular Nashville, Tennessee, Opryland Resort and Convention Center. In fact, it was the site of the second- largest Wing Ding in GWRRA history.

This Members Party will be reminiscent of the “*good ole days*” and will focus on nostalgia, FUN and music! One of the ways we are giving back is to have an “ALMOST-FREE EVENT”! Members pay only \$10 to attend, and non-Members pay only \$15!

We are asking our Members to bring back their acts from previous Wing Ding Talent Shows for this special Members Party. We’re also asking them to find those former Members and Officers of GWRRA and ask them to join us again at this nostalgic event and to bring their instruments and schedule time onstage at the Members “Open Mic Stage.” There will be ice cream and cake and some old-time sharing of the “*good ole days.*”

As you may have already heard, another way we are “Giving Back” is to our vendors. We are making a very special offer to those who wish to “sell their wares” at the Members Party in Nashville at the Opryland Resort for a special price of only \$100 (certain limitations apply). Please read the enclosed materials and reserve your space NOW!

This special offer will be on a first-come, first-served basis. So fill out your contract, select your first and second booth choices of vendor space, send in a check or your credit card information, and don’t forget to sign it. We will then send you a letter confirming your booth number and offering further instructions on how to get information on obtaining phone, electric and other services from Freeman Decorating.
