Serving the Districts of Kentucky, North Carolina, Tennessee, Virginia and West Virginia

Sunday, September 20, 2009

It is unfortunate that I make the following announcement:

It has been decided to cancel the Region N Rally, "Wingtoberfest", scheduled for October 29-31 in Gray Tennessee.

The reasons for canceling a rally are numerous and there is never just one issue at which you can point, to place the blame. But the bottom line, in this case, is that there is a severe lack of registrations and vendors for the rally and the yet-to-be-received registrations and vendors, from all indications, is going to be far too short to provide the necessary funds to conduct the rally.

The staff of Region N sincerely appreciates those individuals that have already registered and shown their on-going support for the Rally. It grieves us to have to make this decision but "times are hard as '09" is a good way to summarize it.

Again, it is unfortunate that the rally has suffered from the same economic conditions that have affected all of us in our daily lives but I suppose it isn't that surprising. We'll see you at the remaining 2 rallies in Region N, Wings Over the Smokies and Rally in the Valley and we'll also see many of you at the upcoming Winter Events and District Operations meetings.

Thanks for your support!

Frank and Kathy Albert

GWRRA Region N Directors
