

Gold Wing Road Riders Association
Leadership Training Division
Announces
Leadership Summit 2010
Phoenix, Arizona

To All Region Trainers and District Trainers:

We are very excited to announce a special event designed specifically for the Regional and District Trainers in the Leadership Training Division of GWRRRA.

All Region Leadership Trainers and District Leadership Trainers are requested to attend the GWRRRA Leadership Summit 2010 in Phoenix, Arizona. The Leadership Summit 2010 is scheduled for Friday and Saturday, January 8 & 9, 2010. Attendees should plan to travel to Phoenix on Thursday January 7th and return home on Sunday January 10th.

The Leadership Summit 2010 will be a working weekend to provide advanced training to the Leadership Training Division Trainers and Instructors, and to help you meet the Training Challenge goals issued at Wing Ding 2009. The goals of the Training Challenge are addressed in the August 2009 issue of the LTD newsletter and are available on the LTD website.

GWRRRA will provide each attendee with a round trip airline ticket and three night's hotel room. For those who drive, the total reimbursement for travel to and from the event will not exceed the cost of an airline ticket purchased for those who are flying. Please retain all receipts, as they must be attached to the expense report. The expense report must be submitted within two weeks after the event.

This training event intended for Region Leadership Trainers and District Leadership Trainers. Only Region and District Trainers with spouses or significant others who are Certified Leadership Trainers and active in Leadership Training are invited under the same criteria. If a spouse or significant other is not a Certified Leadership Trainer and wishes to attend the Leadership Summit 2010, they will need to provide for their own travel cost to Phoenix.

We will send out registration information for the Leadership Summit 2010, including travel and hotel accommodations in the next few weeks. Please make plans to attend.

We look forward to this training event, a first for LTD in GWRRRA. This will be a great opportunity to meet members of the LTD team from across North America, learn more advanced training skills, and share ideas about how we can best serve the members in our roles as trainers in this great association. If you have any questions, please contact us directly.

We appreciate your service to our members and look forward to seeing you in Phoenix!
